CORE CAPABILITIES

IT Services & Support (NAICS 541511, 541512, 541519): computer systems design, IT support and help desk, software services, and technology consulting for government offices and programs.

Translation & Language Services (NAICS 541930, 561410): document translation, interpretation, transcription, and correspondence services supporting multilingual agency operations.

Training (NAICS 611420, 611630): computer/IT training and language instruction programs.

Electronics & Supplies (NAICS 423430, 449210, 459410, 459999): sourcing and delivery of computer equipment, electronic devices, and office supplies.

Management & Administrative Consulting (NAICS 541611): advisory and administrative support services.

DIFFERENTIATORS

Minority-owned and 100% owner-operated — direct accountability from the principal on every engagement.

Multilingual capability paired with IT delivery — a combination aligned with language-access and digital services demand across DHS components and NY agencies.

Responsive small-business structure: fast quoting, flexible scheduling, direct communication.
